Some men have  
their doubts  
when they are  
told that clothes  
are ready made  
until they spy the  
label of "Nussbaum's" in  
them.

You should see the  
class of men to whom  
we are selling these  
clothes--men who won't  
tolerate indifferent style

Such famous makes as Schloss

## THREE CONVENTIONS ARE HELD IN TEXAS

All Three Parties Select Dele-  
gates to as Many National  
Conventions.

(BY ASSOCIATED PRESS)  
DALLAS, Tex., May 23.—Demo-  
cratic, Republican and Progressive  
parties in Texas were holding their  
state conventions simultaneously to-  
day, each having, in addition to the  
routine of selecting delegates to their  
respective national conventions, other  
projects of more or less importance to  
themselves.

Interest was centered in the Demo-  
cratic convention being held in San  
Antonio. Polling 250,000, or more than  
two-thirds of the state's votes, this  
party is dominating. The Democrats  
will elect, at the San Antonio conven-  
tion:

A national committeeman.  
Thirty-two district delegates to the  
national convention.

Eight delegates-at-large.  
Four presidential electors also will  
be nominated then, their names to be  
placed on the Democratic primary bal-  
lot on July 22. Numerous questions  
of state interest, particularly discus-  
sion of Texas's new election laws, also  
were scheduled to come before the  
convention.

The Progressive party held its con-  
vention in Waco. This party will nom-  
inate four presidential electors and  
elect twenty-four delegates to the na-  
tional convention, based on one for  
each of the sixteen congressional dis-  
tricts; and two for each United States  
senator and representative-at-large.

Republicans were holding their con-  
vention in Fort Worth, with practi-  
cally the same business before them as  
the Progressives. They are to nomi-  
nate four electors, and elect twenty-  
six delegates to the national conven-  
tion, having two more than the Pro-  
gressives.

Attempts to effect a fusion between  
the Progressives and Republicans,  
which have prevailed for the last two  
years, were brought to an end by the  
death early in April of Cecil A. Lyon,  
Progressive national committeeman  
from Texas. Several "get-together"  
meetings between Republican and Pro-  
gressive leaders were held at various  
times but when the movement was  
reaching a climax, Mr. Lyon's illness  
halted proceedings.

Today's Democratic convention is  
the first of two; the second being held  
in August to officially canvass the re-  
turns of the July primaries. Nomina-  
tion in these elections, has, customar-  
ily, meant virtual election, on account  
of lack of opposition to the Demo-  
cratic party.

It was generally predicted in politi-  
cal circles that the Texas delegation

## CATARRRH HAD EFFECTED EYES

Well Known Insurance Man  
Tells What Tanlac Did for  
His Catarrrh.

HAVE YOU THIS TROUBLE?

"I'll tell you what it sure felt good  
to be relieved of that continual drip  
of mucus in my throat and constant  
expectorating," declared a well  
known insurance man of Wheeling.  
"and I've got to admit Tanlac is  
a wonderful remedy for catarrrh. My  
eyes were affected by the catarrrh, so  
the doctors informed me, but they  
are better now and my nostrils no  
longer trouble me. I gained a dandy  
appetite in the bargain, feel better  
in general and am practically well  
already," continued Mr. H. Poffen-  
barger, the popular Equitable Life  
Insurance agent, 527 South Front  
St., Wheeling, W. Va.

Catarrrhal affections of the mucous  
membrane, causes one not only un-  
limited annoyance, but with head  
stopped up, constant spitting, foul  
breath, bad taste, in the mouth and  
other ailments such as weak eyes,  
etc., that invariably follow, the suf-  
ferer is sure to feel bad, lack ener-  
gy, appetite and ambition to be up  
and doing.

For such complaints Tanlac has  
proven the "Master Medicine" it has  
been so often called. Thousands on-  
dorse it highly for troubles of this  
kind, and at one dollar per bottle,  
it is an efficient speedy and splendid  
preparation, economical and never  
keeps one a moment from work. It  
is essentially a home remedy and  
the name Tanlac is a household word  
in thousands of homes right here in  
this city and in a hundred other  
American cities where it has been  
introduced. Get a dollar bottle to-  
day at Farrell's Drug Store. Ask  
for the Tanlac representative, who  
will gladly explain more about this  
wonderful medicine. — Advertise-

to the St. Louis convention would go in-  
structed for the re-nomination of  
Woodrow Wilson. As yet there has  
been no public announcement as to  
who will be favored for the presiden-  
tial nomination by either the Progres-  
sive or Republican parties in Texas.

## TOLEDO MAN EXPECTED TO DIE

D. L. Bower, treasurer and manager  
of the New Overland Real Estate Ex-  
change at Toledo, thought death was  
close upon him. He suffered from de-  
rangment of the stomach and diges-  
tive tract and his condition was high-  
ly discouraging.

He took Mayr's Wonderful Remedy.  
Then he cheered up and went to eat-  
ing. He had new interest in life.

J. W. Wood, Mr. Bower's partner,  
wrote:

"This remedy is surely one of the  
greatest medicines I ever heard of. My  
partner spent \$2,000 with renowned  
doctors in trying to get relief. He  
gave himself until about the 20th of  
September to live. He has taken three  
doses of your remedy. Now he can  
eat and sleep without any distress."

Mayr's Wonderful Remedy gives per-  
manent results for stomach, liver and  
intestinal ailments. Eat as much and  
whatever you like. No more distress  
after eating, pressure of gas in the  
stomach and around the heart. Get one  
bottle of your druggist now and try it  
on an absolute guarantee—if not satis-  
factory money will be returned.

## WONDERFUL FOR THE AGED FOLKS IS NERV-WORTH

WORLD'S GREATEST NERVE  
Tonic RESTORES HEALTH  
TO 86-YEAR-OLD NANCY  
UNSETTER.

Mr. W. F. Plate, of No. 900 Lubeck  
avenue, Parkersburg, has given the  
following important statement describ-  
ing the benefits derived from Nerv-  
Worth by his mother-in-law, Mrs.  
Nancy Unsetter, usually called  
"Granny Plate":

"Gentlemen:—I had stomach trou-  
ble, nervousness and was shaky.  
Could hardly walk. Had to be as-  
sisted. Awake half the night. All  
run down and weak. Angry sores  
all over face.

"Have taken half bottle of Nerv-  
Worth and I'm strong. Can walk  
without assistance. My face is all  
well again and my general health  
much improved. I'm 86 years old  
and better in health than for years.  
I think it is the best medicine I have  
ever taken."

(Signed) "NANCY UNSETTER."  
This testimonial was signed also  
by W. F. Plate, son-in-law of Mrs.  
Unsetter, who is wholly familiar  
with the circumstances.

largest military hospitals is an in-  
dication of how far removed Bulgar-  
ia is from the European war. The  
Saloniki front has been quiet for  
weeks and the attack on Aviona is a  
matter concerning only the Austro-  
Hungarians. The Bulgarian army is  
resting on its arms. In a few days  
several other hospitals will be closed  
and that in charge of the Austro-  
Hungarian mission will be converted into  
an electro-therapeutic institute for  
the recovery of damaged limbs.

Nevertheless the Bulgarian govern-  
ment is calling to the colors the young  
men due to serve in the army. A great  
deal of reorganization is in progress,  
co-operation with the German and Aus-  
tro-Hungarian troops having resulted  
in many a good lesson to the Bulgar-  
ian officers and general staff. Re-  
equipment has also been undertaken;  
what extent is indicated by the fact  
that the acquisition of German and  
Austro-Hungarian motor trucks has  
enabled the Bulgarian government to  
furlough 60,000 army drivers and their  
ox teams and wagons. These men and  
animals are now back in their villages,  
tilling the soil for the spring sowing.

Bulgarian officers readily admit that  
they have learned a great deal from  
the Germans and Austro-Hungarians.  
Not a few of them show it in appearance  
and bearing. Though always accepted  
as a good soldier, the Bulgarian has  
hardly had the opportunity to acquire  
the dash of his northern brothers-in-  
arms. At present therefore there is a  
general tendency to be as much like  
the German and Austrian as possible.  
This has influenced the cut of the Bul-  
garian officer's uniform, and especially  
the shape of his cap, which formerly  
had a decided Russian tendency. Such  
German and Austrian greetings as  
"servus" and "Mahlzelt" are universa-  
ly used and it is fashionable now to  
use the German "bitte"—please—in-  
stead of its French equivalent, former-  
ly applied so much.

Relations between members of the  
three armies are the best, though in  
the main the Bulgarian officer takes  
more easily to the German officer, prin-  
cipally because the capacity for work  
and organization of the latter has vir-  
tually overpowered the Bulgarian. The  
Bulgarian is generally a cold, calculat-  
ing individual with a very objective  
sort of mind, somewhat headstrong  
when it comes to defending his posi-  
tion, but ready for all that to take  
lessons to heart. This has caused him to  
look upon the German officer as a  
teacher of quality.

Saloniki is held by the Entente  
troops simply for the reason that  
an evacuation would mean more loss of  
prestige. Such is the opinion here.  
The English and French have en-  
trenched themselves well, but driving  
them back within the protection of  
the works defending the port would  
be a very easy matter, say Bulgarian  
officers. In political circles it is pointed  
out that Bulgaria is not interested  
in driving the Allies out of Saloniki,  
at least for the present. That phase  
of the Balkan war concerns but  
Greece, it is argued. Aspects would  
be different in case the allied troops  
set foot upon Macedonian soil.
